

# Carwash

## Eco

**Exceptional value.**  
Now with more features  
as standard.

**Proven reliability.**  
From 30 years of  
experience.

**Incredible rich foams.**  
Utilising the revolutionary  
hyper concentrates.

**More options.**  
Increases income &  
appeal.

## COMMITTED TO REDUCING OUR CARBON FOOTPRINT

With an unrivaled 30 years history in the manufacturing of garage forecourt equipment, from our headquarters in Bedford, we are continuing to reduce our carbon footprint, from energy efficiency through design to the reusing of packaging and recycling of equipment at the products end of life.

### ● Standard Equipment Specification:

Fully articulate booms - With a huge 5m reach, to accommodate cars and trucks.

Water softener - For a better wash quality and savings in chemical usage.

Hyper concentrated chemicals - Compressed air foam generator provides phenomenal results and massive cost savings against standard products.

Winter protection - Fully automatic system keeps your machine operating when the competition has frozen.

Cash safe - Integral strongbox, hardened and with unique locking.

Multi coin input - Electronic acceptor, programmable for mixed coins and tokens.

### ● Additional Options:

Countdown display - Time remaining indicator to aid customers.

Wheel & tyre cleaner - Achieves sparkling results and increases revenue.

Multi colour foam - A rainbow of changing foams as you wash, great fun and a proven hit with customers.

Customised livery - Designed to your personal tastes, incorporating logos and colours to complement your site and all printed in house.

### Technical Specifications:

Water - 1/2" mains 15litre/min  
Electric - 240V 40A or 415V 20A 3ph

Height -1700mm  
Width -1100mm  
Depth -600mm  
Weight -175kg

Detergent consumption	1.5ml - 5ml/min.
Detergent/foam application	3.5litre/min + 7cfm compressed air.
Coin handling	up to 12 different coins/tokens.
Water Heating	6Kw electric instantaneous (balanced 3x2 on 3ph).
Programme memory	Eeprom base, password secured.
Vinyl graphics	7 year UV resistant.
Booms	All stainless, 3 metre above machine roof.
External hoses	3/8" steel reinforced heavy duty.
